Inverter Generator HW2000i

Inverters: Truly Portable Power

When you are ready to go camping, tailgating or just need a portable power supply, the Honeywell HW2000i provides efficient, quiet and clean power for all your recreational needs. Producing 2000 watts of power and weighing only 58 lbs., this gasoline powered unit will run 5 hours on a full tank. The HW2000i outputs both 120V outlet power and 12V DC power.

The HW2000i is an inverter generator so it provides clean power to run high performance electronics like TV's and computer equipment. For portable power you can take anywhere, the Honeywell HW2000i is just the right size for you.

Features

- **Inverter Technology For** - Lightweight, compact design, quiet operation and clean power.
- **Smart Start™** - Comes with step-by-step starting controls and 24-hour instructions at 1-888-RECOIL-8.
- **Overload Protection** - AC and DC indicator lights.
