

Portable Generators HW3000 & HW3000L (California Model)

Keep the lights on, the sump pump going, the fridge cold and the TV tuned in. In a power outage, we make it easy to reap the many practical benefits of your HW3000 or HW3000L Honeywell Portable Home Generator.

The HW3000 & HW3000L come with **everything you need to get started**—never-flat wheels and a high-leverage handle for easy mobility; the first liter of oil with a funnel to pour it; plus much more.

Comfort and Convenience

- **Easy to Operate** - Features a simplified power control center.
- **Smart Start™** - Comes with color-coded starting controls and 24-hour instructions at 1-888-RECOIL-8.
- **Sound Filtered** - The oversized muffler is engineered for quiet operation.

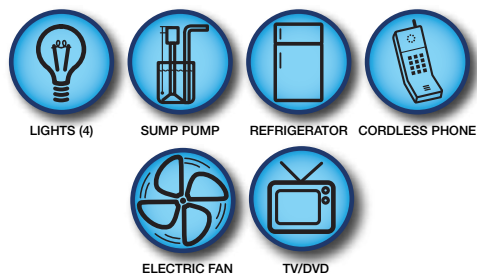

Power and Security

- **Honeywell™ Engine** - The Big-Bore, 196 cc, OHV engine is designed for more power and durability.
- **Electronics Friendly** - SurePower™ Alternator provides voltage-regulated power.
- **Durable** - Backed by a 3-year limited warranty.
