

Cummins Onan Portable Generator

Performance you rely on.™

P5550e

This rugged 5 kW rated power portable gasoline genset delivers reliable power anywhere for emergency or residential standby power, maintenance crews and light commercial applications.

longer run time

better efficiency

more power

higher value

There is a Cummins Onan portable generator to meet your needs whether you are protecting your home and family from a blackout or need power while on the job site or while camping.

A portable generator can be used for more than one application.

- Basic backup power for your home during a power outage
- Power a heater for ice fishing
- Provide power where extension cords don't reach
- On camping trips to supply electricity when needed

Our Cummins Onan portable generators are designed to provide easy-to-use, safe and reliable portable power for when you need it most.

Cummins Onan Portable Generator

P5550e
