

WARRANTY COMPARISON

Unlike our competitors, our 16/20kW* standby generators have a 4-year limited warranty** that covers parts and labor for the full extent of the 4 years. Instead of having our customers incur the high costs of trip charges, labor and parts, these are covered in the warranty*

Briggs & Stratton has been providing reliable engine power for more than 100 years. Trust the proven power experts at Briggs & Stratton for complete peace of mind.
