

SYNTHETIC MOTOR OIL

GENERAC®

DESCRIPTION:

GENERAC® FULL SYNTHETIC MOTOR OIL is formulated with high quality synthetic base stocks and is fortified with an advanced additive technology to provide maximum protection for today's modern generators. GENERAC® FULL SYNTHETIC MOTOR OIL meets most U.S. and European industry standards like ILSAC GF-5 and API SN Service Classification.

BENEFITS:

- Maximum protection against viscosity breakdown
- Meets the highest U.S. standards for generator engine wear protection
- Protects against the formation of sludge and varnish deposits on generator parts

APPLICATION:

GENERAC® FULL SYNTHETIC 5W-30 MOTOR OIL is recommended for use in all gasoline generators. GENERAC® FULL SYNTHETIC 5W-30 MOTOR OIL exceeds the demanding requirements of the International Lubricant Standardization and Approval Committee (ILSAC) GF-5. It also exceeds API SN Service Classification requirements.

Viscosity recommendations vary according to temperature and engine manufacturer. Always consult your owner's manual for correct viscosity choice and API Service Category recommendations.
