

MILBANK PORTABLE GENERATORS

POWER YOU CAN DEPEND ON

From campsite to job site, from tent to trailer, and all points in between, Milbank's rugged, dependable portable generators put the power in your hands to get the job done. From 3250W to 7500W, trust in Milbank's comprehensive line of EPA-compliant portable generator solutions to deliver power when you want it, wherever you need it.

The Complete Package – Includes everything you need in one box to hit the ground running – wheel kit, handle kit (some assembly required), oil, funnel, and tool kit

Quiet Operation – The Pulse-Flo muffler allows us to boast one of the quietest generators on the market

Exclusive VR System – Voltage-regulated power protection for all your electronic needs

Iron-Sleeved Engine – Our engine sleeves are made with cast iron for long-lasting durability and low maintenance

Simplified Operator Control Center – Clean, simple and easy to use to harness the power you need, when you need it.

3-Year Limited Parts & Labor Warranty – One of the best comprehensive parts and labor warranties in the industry.

MILBANK PORTABLE GENERATORS
