

iGen2500

2200 Running Watts
2500 Peak Watts

FUEL EFFICIENT

1 gallon fuel tank that runs 9 hrs at 25% load

LOW THD

Low harmonic distortion creates clean sine waves that are safe for sensitive electronics

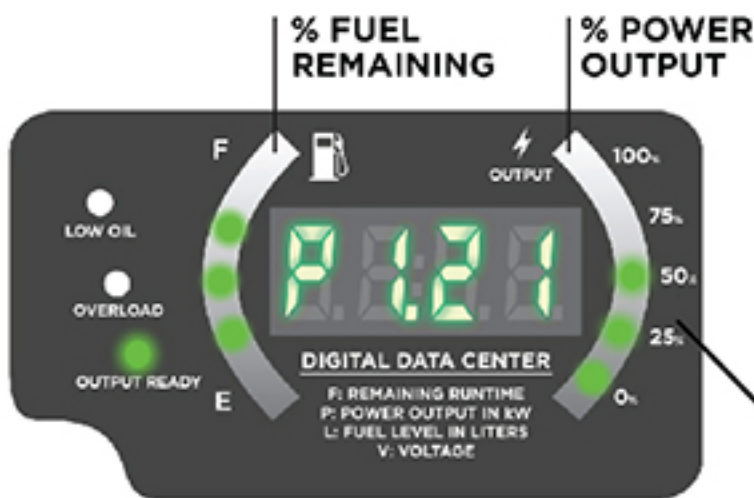

PARALLEL CAPABLE

Double your power by pairing any other Westinghouse Inverter generator with our WH parallel cord (sold separate)

LED DATA CENTER

Provides data on remaining run time, power output, fuel level and current voltage

AUTOMATIC ROTATING DIGITAL DISPLAY
